MEMORANDUM FOR: Deputy Director (Intelligence)

ATTENTION: Assistant to DD/I (Planning)

SUBJECT: Plans for Utilization of TALENT Control  
Materials in DD/I Area

REFERENCE: Your memorandum of 13 June, SAPC 6027

1. The DD/I plan for utilization of TALENT Control materials as set forth in the above reference is approved subject to the editorial changes in paragraph b, under TALENT Security Officer in Tab A and the elimination of the introductory sentence of paragraph 2 on the second page of Tab D.

2. It would be appreciated if in informing the Assistant Directors to proceed under the above plans you would remind them that the briefing of TALENT cleared personnel is set forth in Attachment A of the TALENT Manual and that supervisors should provide additional information beyond that set forth in Attachment A only insofar as the functions of the individual cases require. I believe it would also be helpful to point out to them and the personnel cleared and briefed under the plans that in dealing with TALENT cleared personnel, whether inside or outside the Agency, they should confine giving of information and seeking it only if relevant to the problems with which they are dealing. Copies of the referenced plans are filed with the Project Security Officer, the TALENT Security Officer and Mr.
